lost negative comment

"Nobody to blame but ourselves. We were fucking buns this game not making open shots. Just disappointing because the Lakers were arguing, turning the ball over, missing. Shots (they suck) and even tho they have the refs help, we just fucking suck today. No effort and can't make OPEN shots. OPEN GOD DAMNIT OPEN. All you guys do is SHOOT EVERY SINGLE DAY and YOU CANT MAKE WIDE OPEN THREES IN A GAME????

Lakers | 108-111

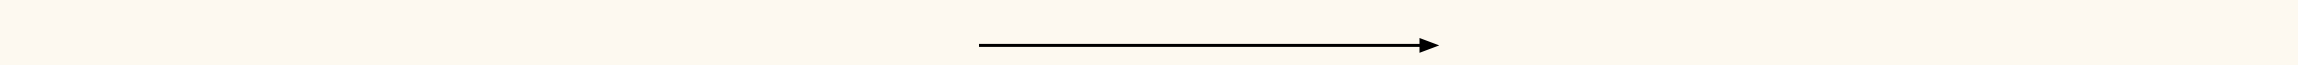

side note. The presentation of the finals have been atrocious. 2mins of game play and then a break. Constantly interrupting the game. They need to work on their product. It's like glimpses of basketball
